NHS COLLABORATION CONFERENCE

Innovation for a healthier Wales

29TH JUNE 2023 ALL NATIONS CENTRE, CARDIFF

MEDIWALES connects

NHS COLLABORATION CONFERENCE

The only event of its kind for the health and care community, MediWales Connects is an all Wales NHS collaboration conference.

Keynote Speaker: **Judith Paget CBE**
Director General of Health and Social Services/Chief Executive NHS Wales

29.06.2023

8:00 - 17:00

Cardiff

Connecting you with NHS patient facing clinicians, innovation leads, community health, industry, government and policy makers.

- Building on the excellent work that has been done around innovation adoption, we will consider the challenges involved in scaling change and adoption of new products, services and processes that deliver impact for patients across the whole NHS.
- This NHS led event includes keynote presentations, interactive workshops and exhibition stands.
- Showcasing new technologies, digital health, NHS innovations and a wellbeing zone.
- NHS teams and colleagues from the health and care community across Wales, as well as the wider industry sector, will share clinical innovation and insights to improve patient outcomes.
- Over 400 delegates from clinical and care communities, industry and academia from across Wales and the UK.

”

“I very much enjoyed the MediWales connects event yesterday in Cardiff. I found it very interesting and valuable to network with others in similar fields and with similar interests.”

Hafwen Lewis Assistant Technology Transfer Officer, AgorIP

”

“Was a great event and some wonderful networking opportunities. Also great to hear the work that others are doing across the industry.”

Carla Dix Strategic Innovations Programme Lead, Llesiant Delta wellbeing

”

“We very much enjoyed taking part in MediWales Connects. It was a really great networking opportunity and a good chance to spread the word about our work and the digital topic call. The delegates seemed very engaged and we heard great feedback about the presentations and workshops.”

Health Technology Wales

”

“Many thanks for the opportunity to speak, we really enjoyed the day.”

Martin Scurr CSO, Immunoserv

Visitor Profile

Uniquely positioned, we use our conference themes to reach a wide audience of NHS and social care delegates and the attendance of colleagues specialising in transformation, improvement and workforce.

”

“Wanted to say that it was great to go to a well organised conference, that had so many interesting speakers and exhibitors. The MediWales conference stood out by being far above the average.”

Graham Cone Project Manager, Regional Innovation Co-ordination Hub

”

“Thank you for having us. We do enjoy the MediWales events and are very grateful for the opportunity to exhibit our work. The team had a great day and we look forward to the next.”

Technical specifications for the printed event programme

Material required

- We require the advert to be saved as a Press-Quality PDF
- Ensure all pictures/logos are high resolution and CMYK format
- All fonts must be embedded

It is important to leave at least a 10mm text/image clearance on both left and right hand edges of an advert in order to ensure that those edges are not lost into the spine or cropped during binding. LifeStories cannot accept responsibility if adverts are not supplied with the correct clearance.

In-house design

- MediWales has a highly experienced graphics department which offers an advertising design service.
- Competitive rates are available for advert design, commensurate with the level of creativity required to meet your advertising expectations.
- You will need to provide images, a logo, and text.

Technical Details

Double Page Spread

All DPS adverts must be supplied as 2 single PDF files, left and right hand pages. Please allow 10mm gutter bleed allowance on right and left hand edges of advert.
